SEEDS

FLOURISHING WITH GOD, FLOURISHING IN LIFE,
AND FLOURISHING WITH PEOPLE.

Flourishing is an action word and we couldn't describe who we are as a church any better than that. We are a group of people who are passionate about God, our community and living life to the fullest. To flourish means to grow in a healthy and vibrant way. What does vibrant growth look like? It looks like grandparents worshipping with grandbabies. It's every race and culture joining together in song. It's the tangible feeling of hope in the air. It's lost people receiving christ as their savior and finding a place to belong. It's the prodigal entering the front door again. It's laughs it's cries, it's healing, it's hope and it's life overflowing.

WHAT WE'VE DONE

In the past year, our church has had many significant changes and areas of supernatural growth. The first and most praiseworthy being that God blessed us with our second campus located along the Torrance/Gardena city lines. This additional campus has given us the ability to reach new neighborhoods and communities which in turn has led to more people receiving salvation and being planted in the House of the Lord. It's been amazing to witness the addition of so many new people and families who now call Flourishing Church their home. Launching a second campus was not necessarily in our plans for 2021 but it was in God's heart. His timing is always perfect and we have experienced the grace to rise up and build His house. We have been so blown away by the sacrificial and generous heart of the Hermosa congregation who heard God's call and wholeheartedly stepped up to possess new ground. It was so inspiring to watch everyone join together and do whatever it took to renovate, serve, pray over and build this beautiful work of God in new territory. We believe that the best days are in front of us as we continue to flourish together.

“Enlarge the place of your tent, and let them stretch out the curtains of your dwellings; Do not spare; Lengthen your cords, and strengthen your stakes. For you shall expand to the right and to the left, and your descendants will inherit the nations, and make the desolate cities inhabited. -Isaiah 54:2-3

WHAT WE ARE DOING

Looking forward, we hear the Lord inviting us to expand. This expansion will include saturating our city with an invitation to come to church through social media advertising, billboards, and other campaigns throughout the year. We will be continuing our outreach both locally and internationally and we are excited to announce our first international missions trip to Mexico happening later this year. Pray about being a part of that! Another major expansion will be our investment into the next generation through the launch of WILD. This is the brand new youth ministry of Flourishing Church and we are expecting the miraculous as it grows. We are also starting a christian preschool at the Gardena campus that will train children up in the knowledge of God and we believe it is going to be an answer to some of our community’s greatest needs. We know that this is a stretch of our faith but together we will see it come to pass and glorify God.

MAIN GOAL:

TOTAL COST
60K

YOUTH

YOUTH ROOM & YOUTH MINISTRY (10K)
