VISION

FLOURISHING WITH GOD, FLOURISHING IN LIFE,
AND FLOURISHING WITH PEOPLE.

We believe that God is never done with us or with others. Because of that we cultivate an environment that honors every person, whatever their story is. We exist to see all people walking out a healthy and thriving life through the power of Jesus!

ISSUE 01 - MAY 2021

“Still other seed
fell on good soil. It
came up, grew
and produced a
crop, some
multiplying thirty,
some sixty, some
a hundred times.”

MARK 4:8

WHAT
WE'VE

DONE

Pslam 92:12-13

*The righteous shall flourish like the palm tree:
he shall grow like a cedar in Lebanon. Those
that be planted in the house of the Lord shall
flourish in the courts of our God.*

TRANSITIONED OUR CHURCH FOR A GREATER LOCAL IMPACT

In the past year, there have been many wonderful changes to our Hermosa Campus. The largest change being that we transitioned from a campus modeled church to a local church. The importance of this is that all resources are put right back into the vision and mandate of our local body. Rebranding of the building has included new signs on the exterior as well as a gorgeous wood feature that has been installed on the front. The beauty and architecture of the newly renovated building really catches the eye of the community as they drive by on Pacific Coast Highway all day and night.

Our new Church "Branding" is centered around all things Flourishing. Our heart & Vision is that people would FLOURISH with God, Others, & in their own lives!

Flourishing is an action word and we couldn't describe who we are as a church any better than that. We are a group of people who are passionate about God, our community and living life to the fullest. To flourish means to grow in a healthy and vibrant way. What does vibrant growth look like? It looks like grandparents worshipping with grandbabies. It's every race and culture joining together in song. It's the tangible feeling of hope in the air. It's lost people receiving Christ as their savior and finding a place to belong. It's the prodigal entering the front door again. It's laughs it's cries, it's healing, it's hope and it's life overflowing.

"THE RIGHTEOUS WILL
FLOURISH LIKE A PALM TREE, HE
SHALL GROW LIKE A CEDAR IN
LEBANON. THOSE WHO ARE
PLANTED IN THE HOUSE OF THE
LORD SHALL FLOURISH IN
THE COURTS OF OUR GOD."

PSALM 92:12-13

CREATED AN ONLINE EXPIERIENCE

When the pandemic hit, we were forced to put all services, worship experiences, and community groups online. This turned out to be a blessing in disguise because now we have created a life giving and excellent online experience.

This in turn has more than doubled our ability to preach the good news and offer hope to so many through a virtual platform.

Our new Online Campus isn't going anywhere. We absolutely LOVE getting to have so many people join us every week from all parts of the world.

We are so incredibly grateful to our Media team who has stepped up so much this past year and created a place where we could still hear the word of God even in the middle of a pandemic.

ADDED TO THE TEAM

MIKEY TALOVIC

Worship Pastor

Mikey is known as a gifted worship leader but he has also been a huge addition to our pastoral care department. Because he has a heart to serve God's house, you may see him in other areas like building, organizing, teaching and so many more!

Make sure to give him a high five congratulations next time you see him. We are so thankful for all he does to make Flourishing Church great!

This year, one of the most exciting things that we have been able to do is add Mikey Talovic on to a full time position.

FLOURISHING KIDS CHURCH

Our Flourishing Kids wing has gone under some major renovations and it looks amazing! This is so important to us because we want our children to have their own cool space to experience God for themselves.

Make sure to check it out next time you're at the church!

Our new renovations included: all new "Flourishing Kids" Branding, Fresh painted classrooms, "vintage inspired" colored panels along the hallways, new gaming stations, and so much more!

We are so incredibly grateful to our Team who volunteered and made our vision come to life! We even more happy to be meeting in person again with our Kids church open!

MISSIONS & OUTREACH

We will always be a church who takes what God is doing within and uses it to serve others around our community through outreach. It's been a big year with much need in this area so check out this list of just some of the things we have been doing:

- Financial support and diaper drives allocated to The Dream Center.
- Serving on the drive through food and meals line at The Dream Center.
- Homeless outreaches
- Care baskets and groceries delivered to our elderly neighbors who were quarantined
- Cancer Care gift bags
- Police appreciation meals
- PTA fundraiser for Inglewood Elementary school
- Funds send to support Watoto Orphanage in Uganda
- Funds sent to A21 ending human trafficking
- Supported the launch of Good News in the Neighborhood Church in Chicago, IL

OUTDOOR SERVICES

Over this past year, we have successfully created an outdoor sanctuary. This consisted of outdoor string lights, plexiglass for social distancing worship, portable sound system and speakers as well as local and state social distancing measures being implemented.

SANCTUARY RENOVATION

Another renovation that has taken place is somewhere that you may not even notice. It's our lighting, sound, and media department. If you didn't notice it, then we are probably doing a good job!

This overhaul consisted of a completely new stage and wiring system, a soundproof drum cage, new lighting installment, professional cameras, dual monitors, carpeting, and so much more.

These recent renovations have greatly enhanced both our online and in person services. We are so thankful for our media & creative teams that have sacrificed their time to help make these services happen!

We know that these renovations have helped us reach the lost & stay excellent in all that we do!

WHY A SECOND CAMPUS?

We are called to be a diverse church that looks like heaven. We believe the best way to do that is to build a multicultural church in a multicultural area that together, lifts up one name, the name of Jesus. Our new Torrance/Gardena campus is in the perfect location to do just that. Sitting on the corner of the 405 and 110 freeway, there is easy access from all different areas of the greater Los Angeles area which will bring people together from all backgrounds and ethnicities. Not to mention all the new space we'll have to enjoy community together!
